Hi this is dolly!!!!
And she is 3 years old

And she is normally white but
U know she likes the ground very much
That she always play and get her self dirty

U may be thinking that being 3 years old might have some serious attitude or maturity
But sheee is still a child

She loves water , random things on the floor , irritate my mother too and running around for no reason

And the best thing she could do whenever she is out is to fight with her

The dubbiii

She like dubbi very much but kinda jealous always for no reason
They fight a-lot likee
Seee

But that lil dubbi never leaves dolly side and always stays together
